L'ILE NOIRE

Le lendemain...

... et le docteur Müller, qu'est-il devenu ?

Hélas ! Mes hommes ne sont pas parvenus à le rattraper. Lui et le chauffeur ont sauté dans leur puissante voiture, qui stationnait près de la grille, et ils sont partis à toute vitesse...

Domage ! J'aurais fini par savoir pourquoi je les gênais tant. Tant pis ! Je ne les lâcherai pas ! Et pour commencer, je vais retourner sur les lieux de l'incendie. J'y trouverai peut-être des indices qui me permettront de retrouver leurs traces.

Voyons ! Vous n'allez pas vous lever ?

Mais si : je me sens tout à fait bien...

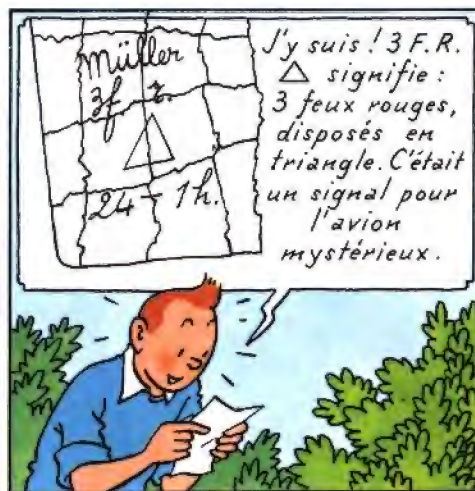

Et voilà ce qui reste de la villa du docteur Müller...

Hem !... Je ne trouverai plus grand-chose...

Des fils électriques ?... À cet endroit ?...

Oh ! Oh ! Ils continuent !...

Je suis curieux de voir où ils aboutissent...

Quelqu'un guette, comme nous, l'arrivée de l'avion !... Mais alors, il ne faut pas que les sacs soient livrés : tout serait découvert ! Les phares doivent être éteints ! Vite, coupons les fils !...

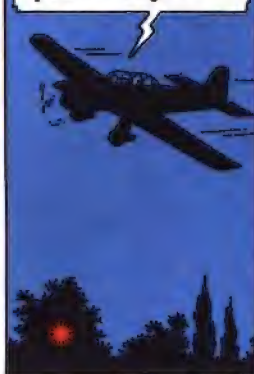

Mais... Mais... les phares brûlent toujours !

L'avion viendra-t-il cette nuit ?

On peut y aller : voilà les trois feux rouges...

L'avion est là !... Que faire ?

Et d'un !

Il a laissé tomber quelque chose...

Allons voir

Ma parole ! C'est Tintin !...

Et de deux !

Encore !

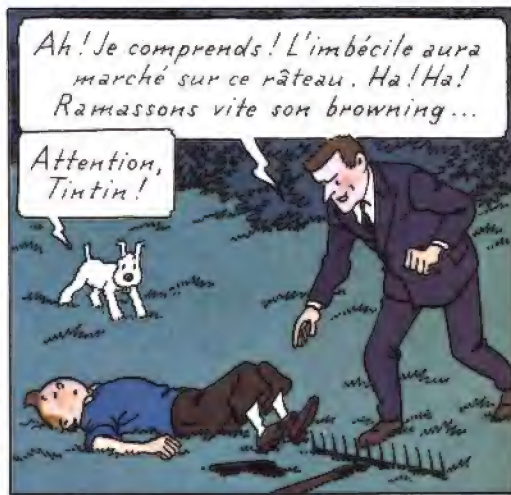

Celui-ci a dû tomber tout près d'ici. Je le trouverai plus facilement que l'autre.

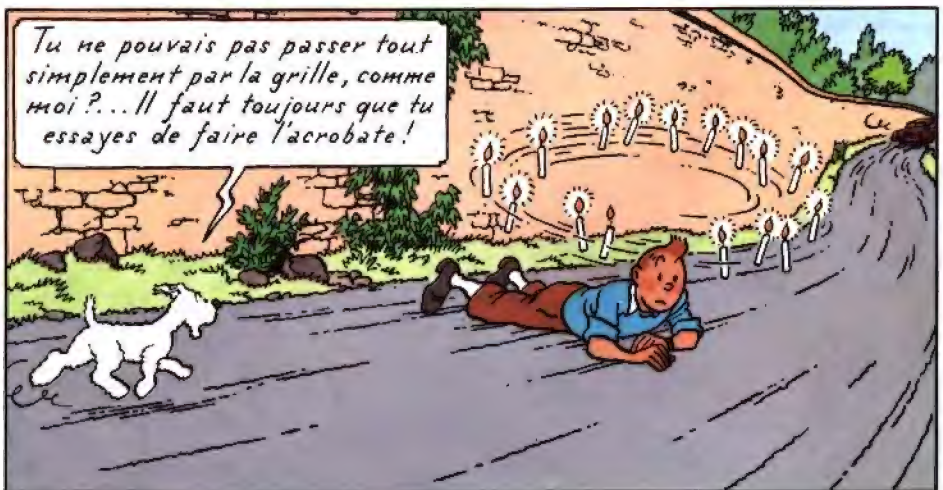

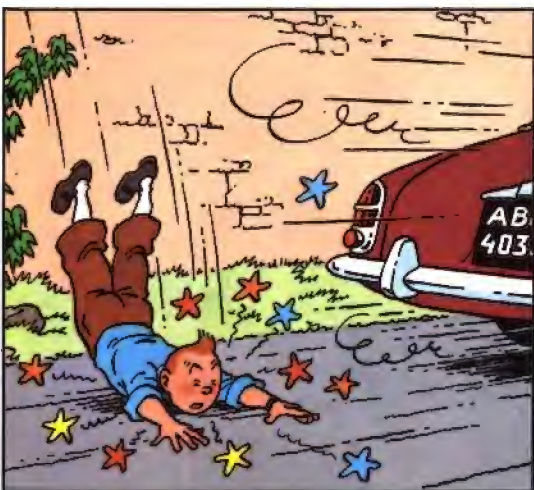

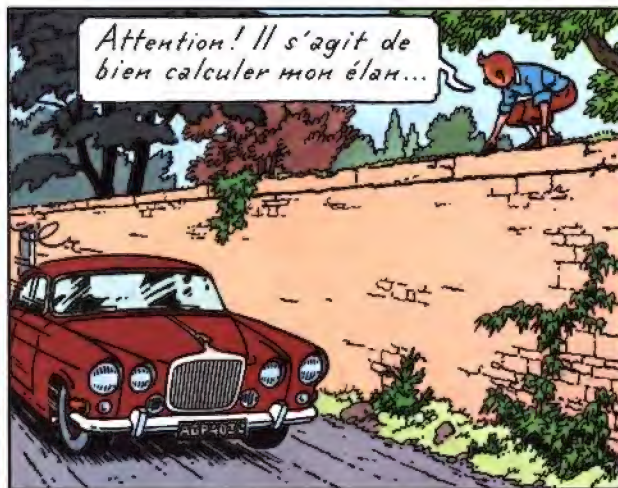

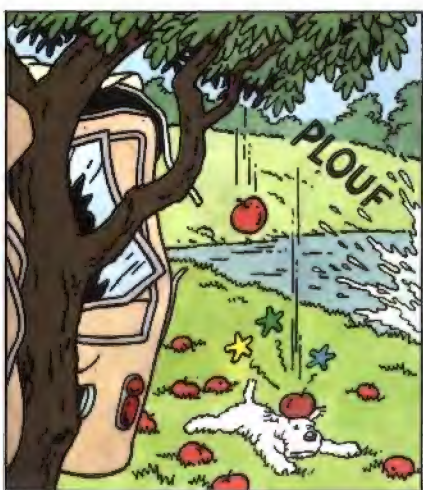

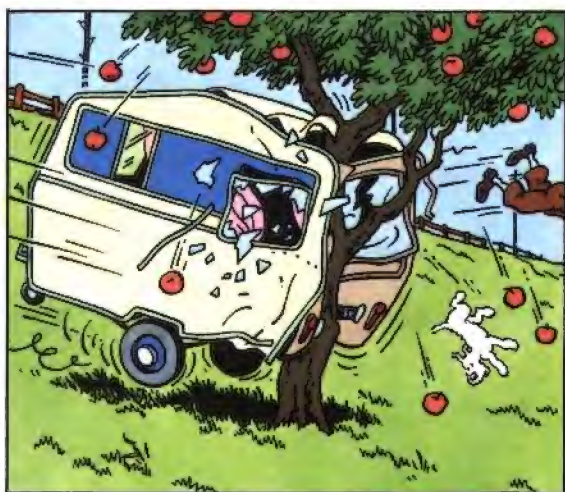

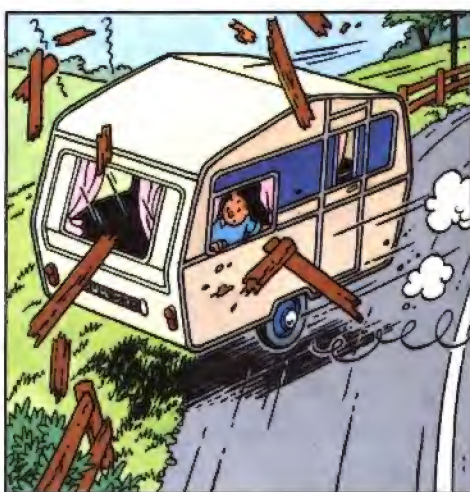

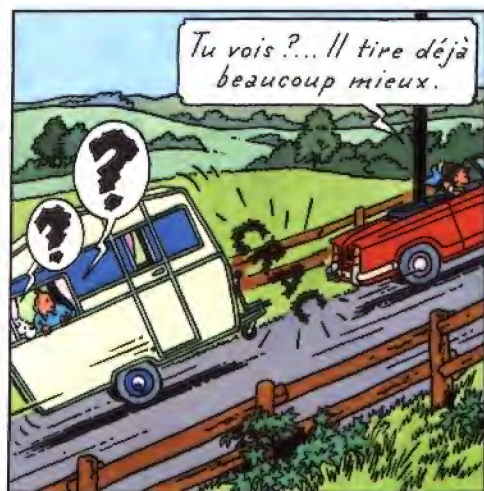

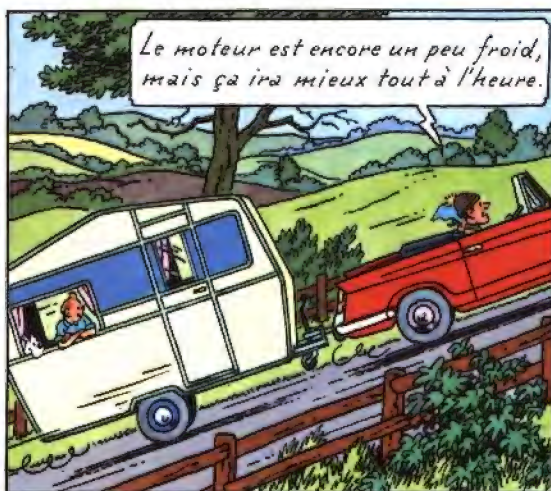

Enfin, je vais savoir quelque chose...

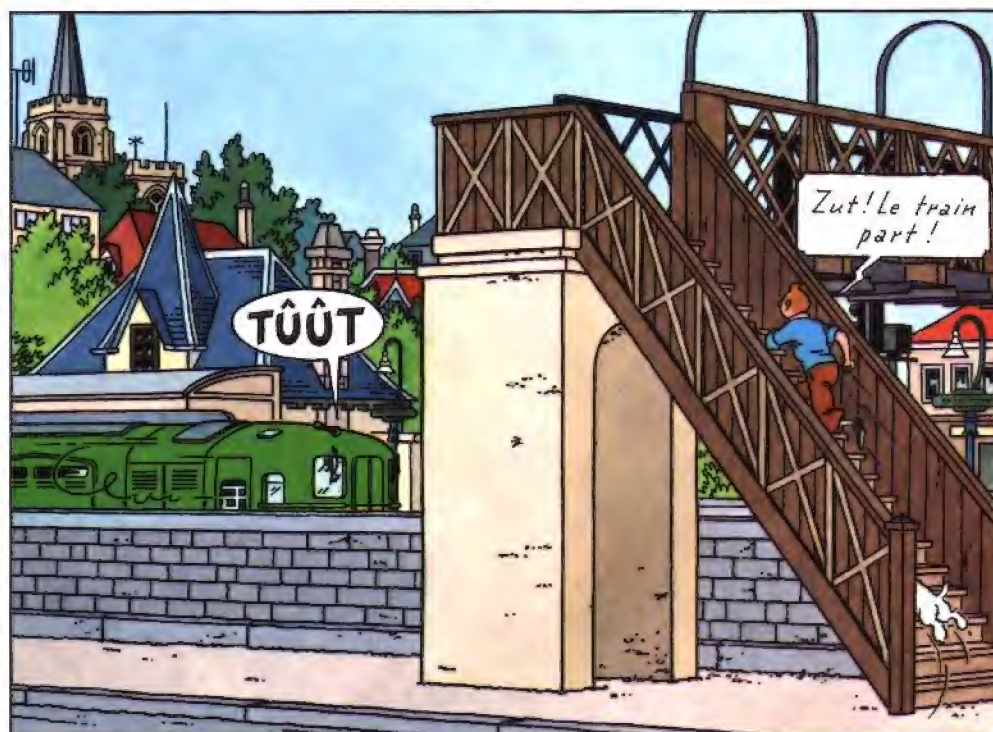

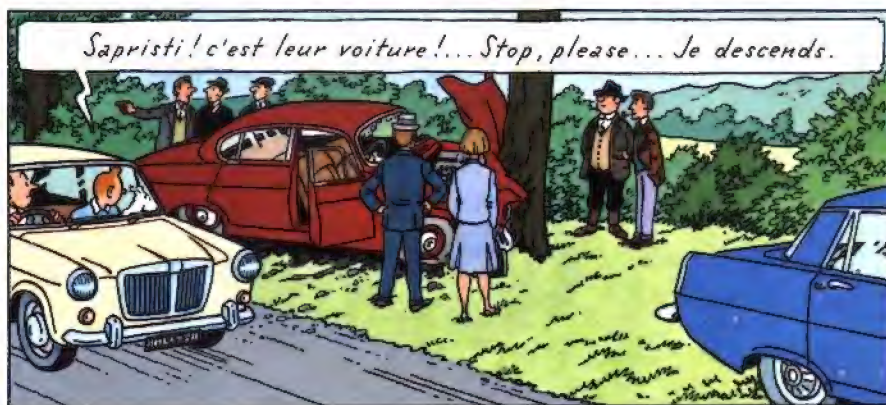

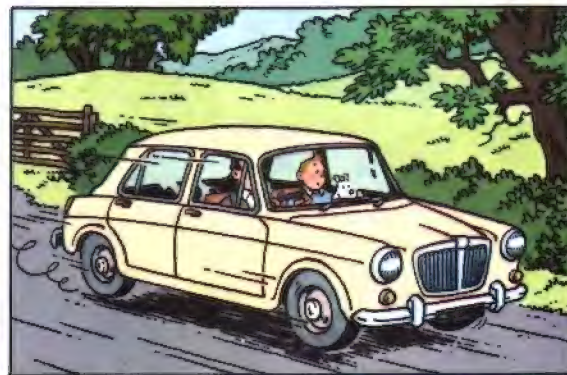

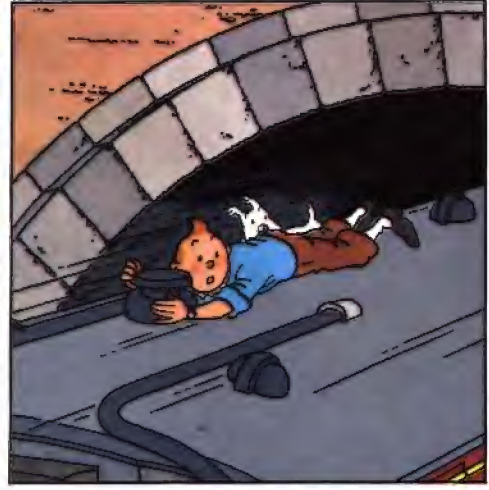

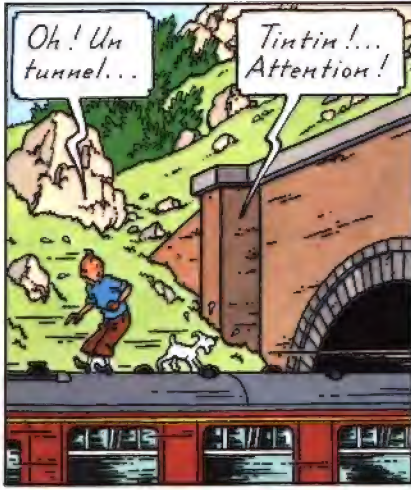

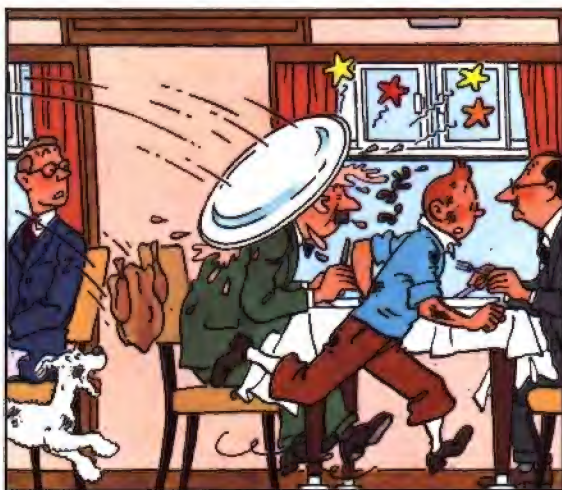

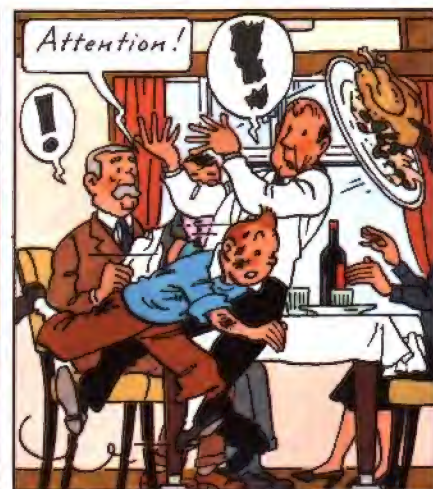

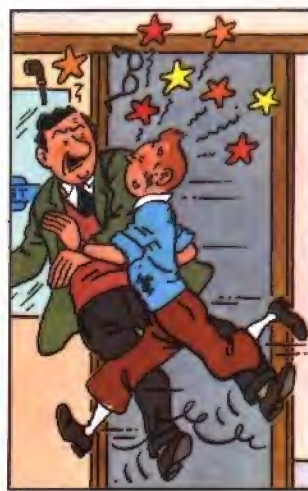

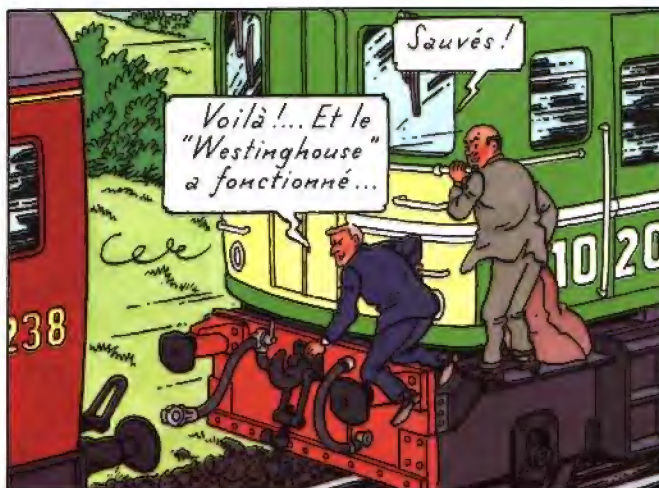

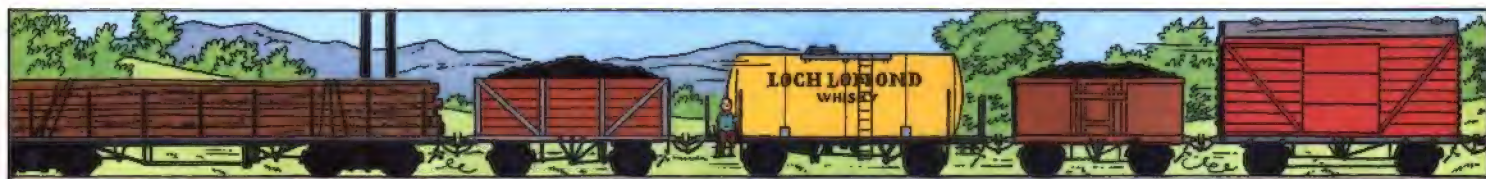

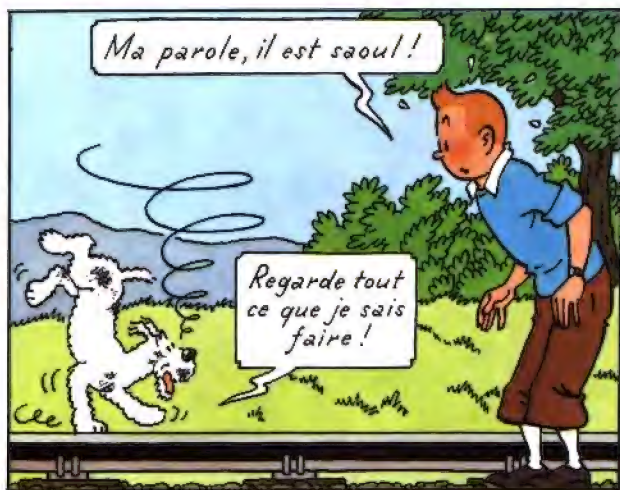

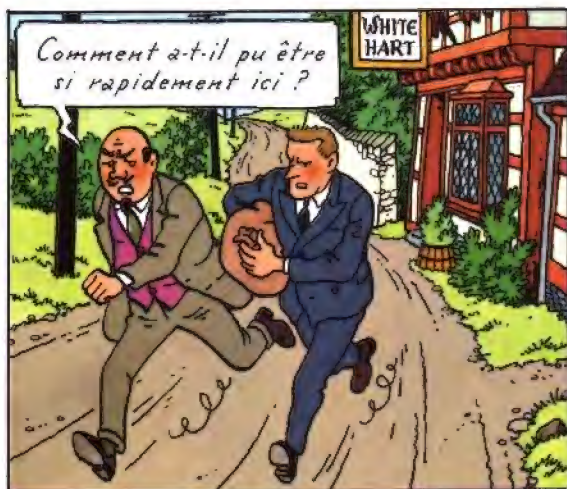

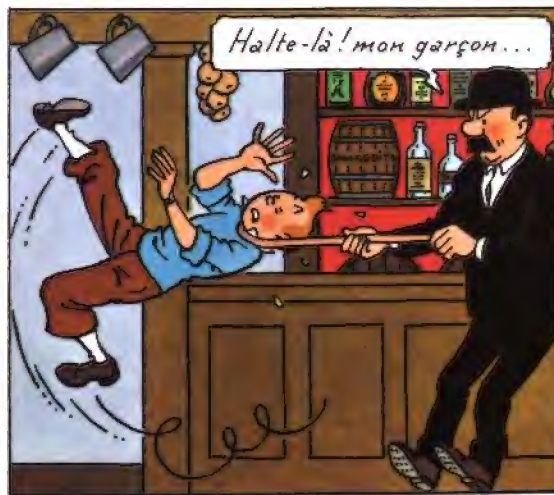

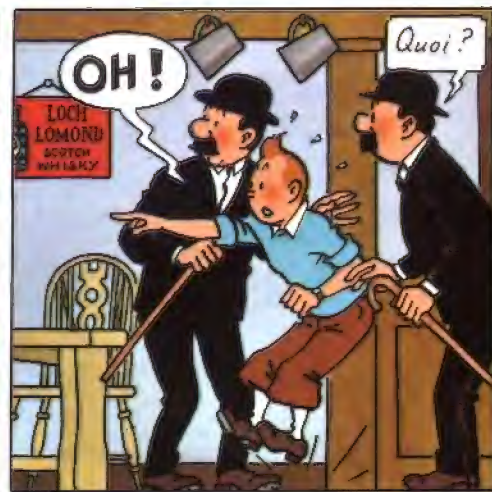

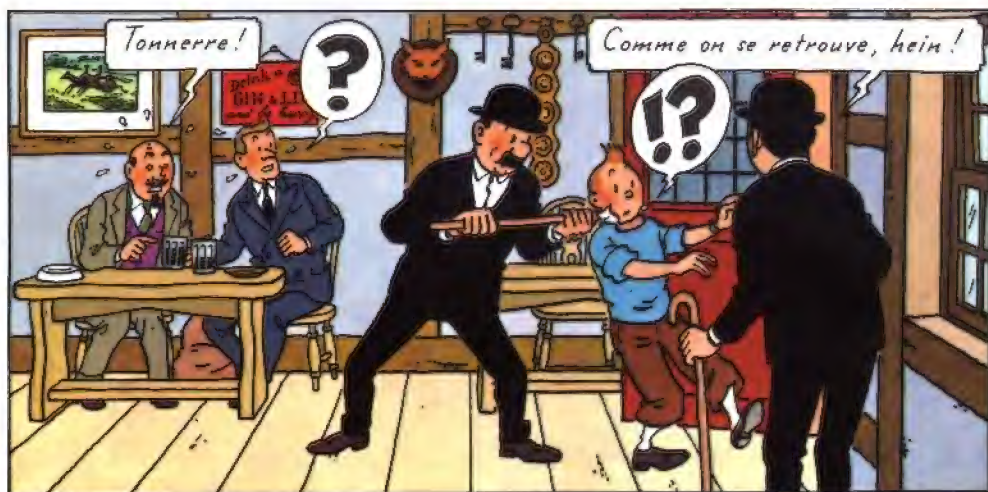

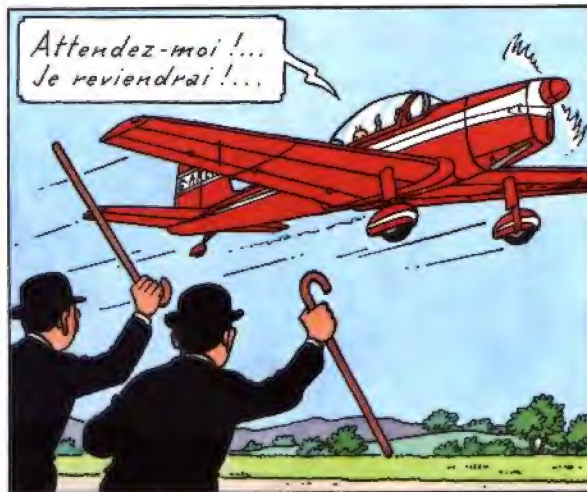

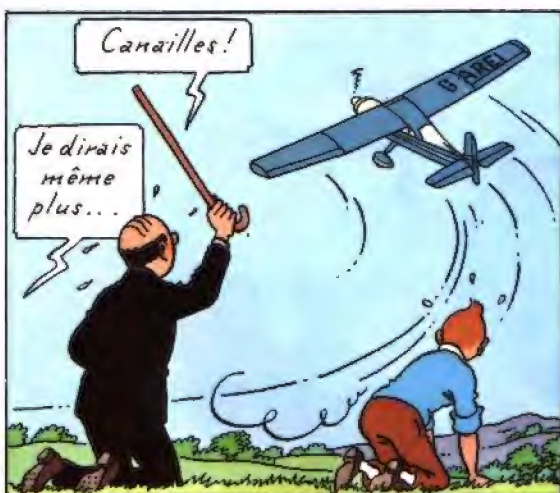

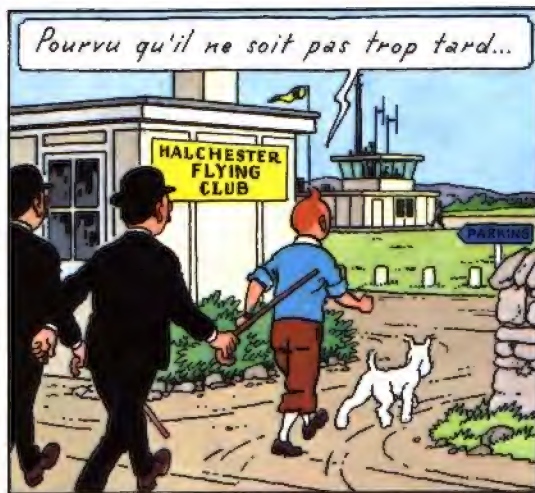

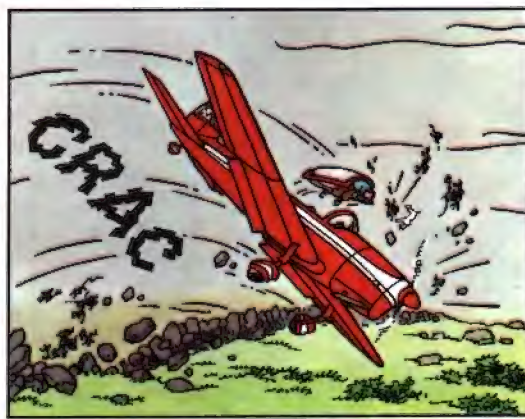

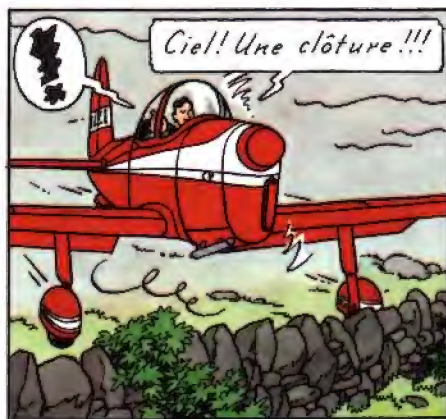

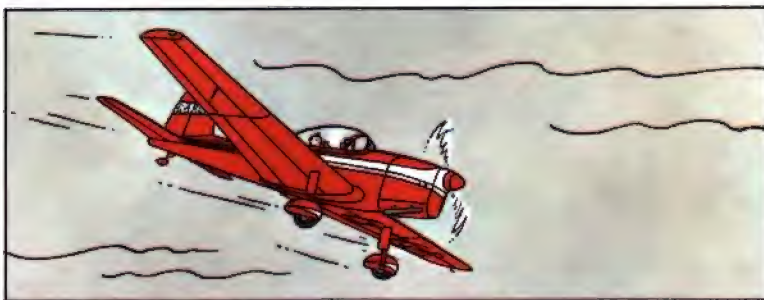

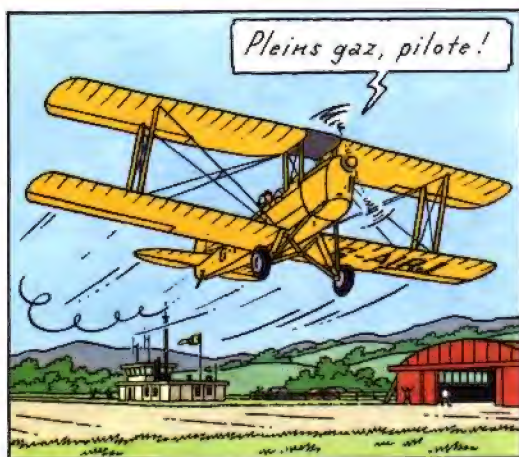

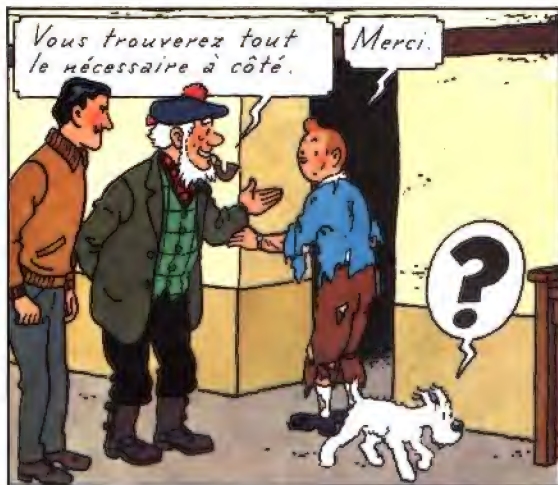

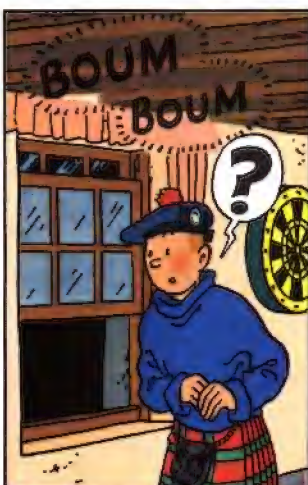

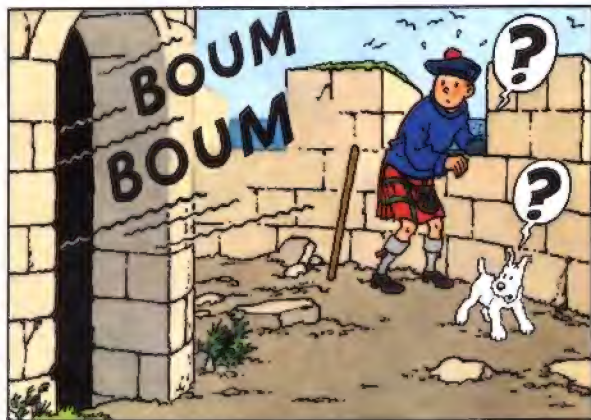

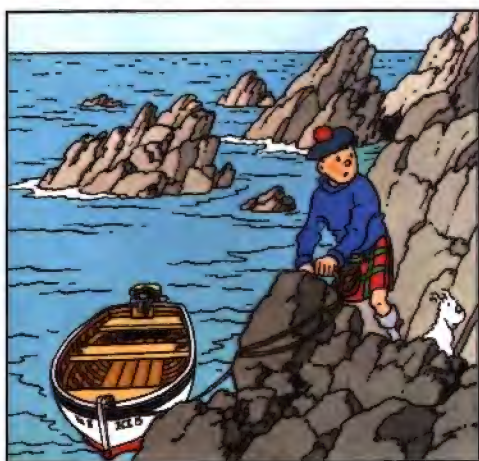

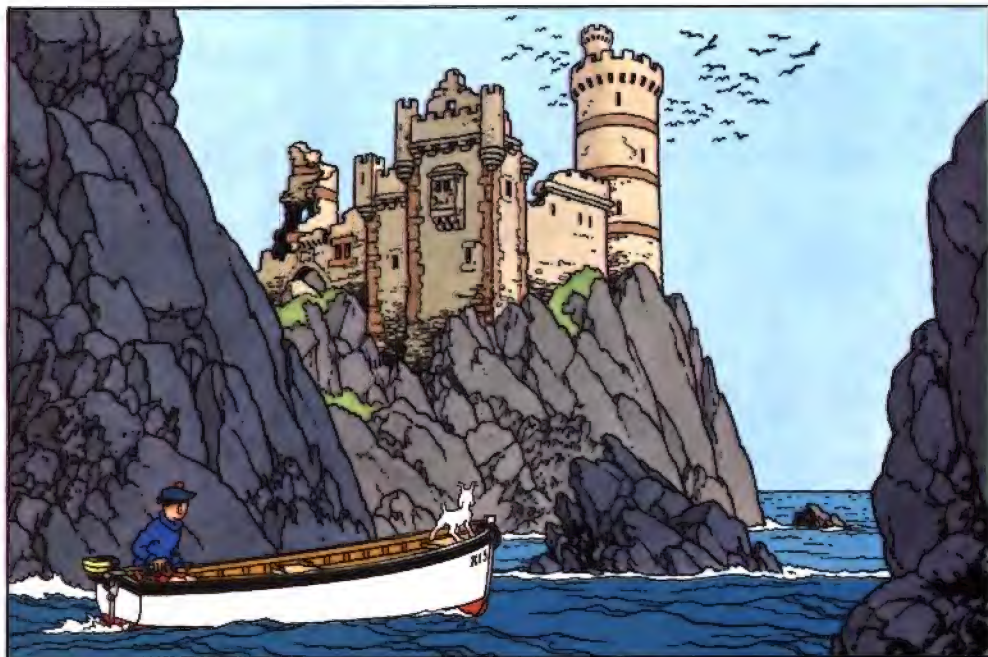

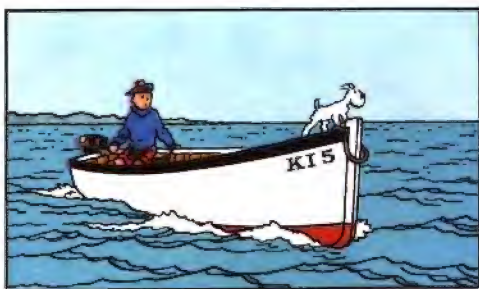

Certainement.

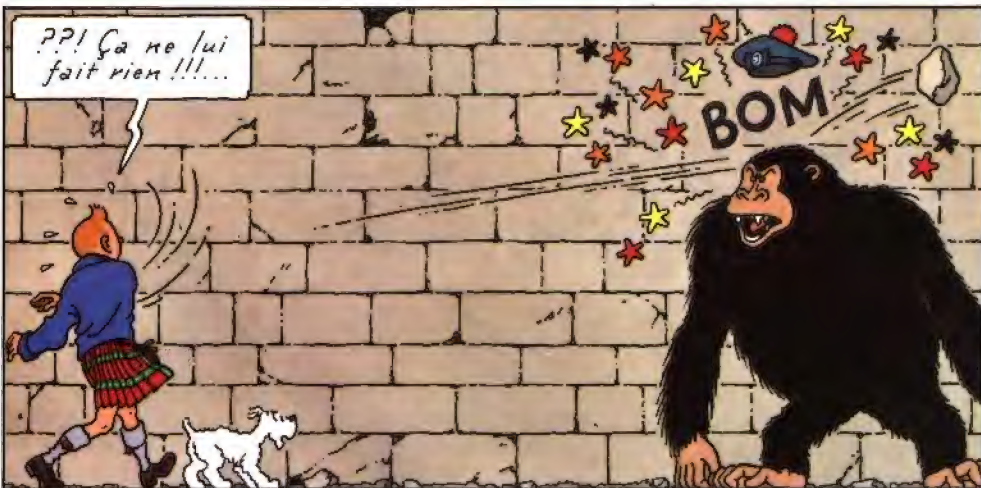

Non, on ne les a pas encore retrouvés.

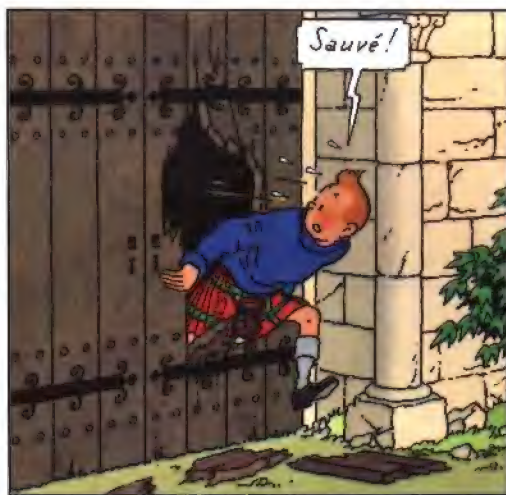

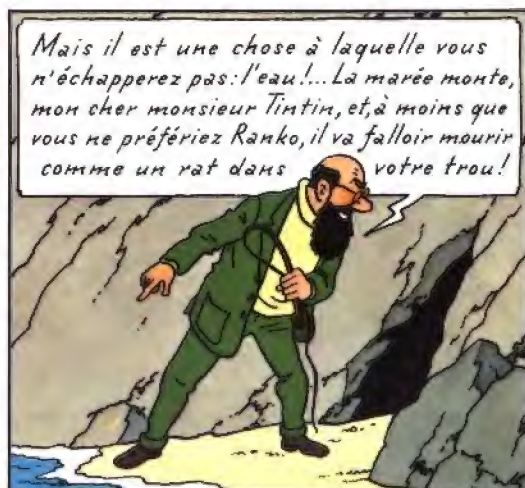

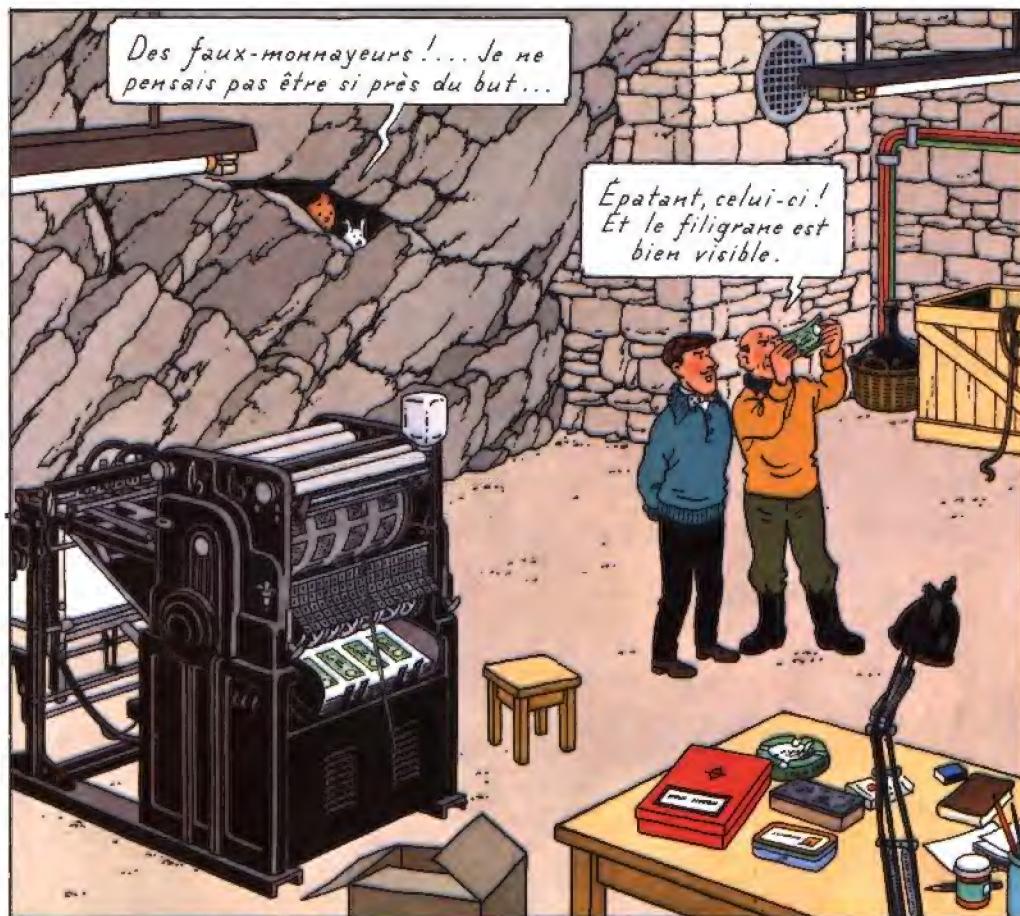

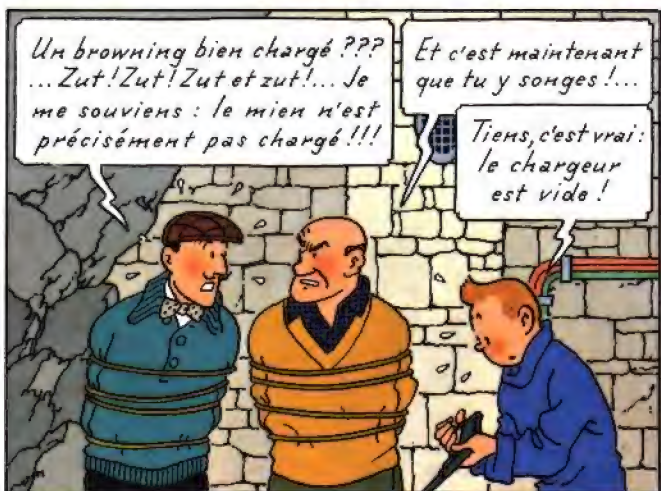

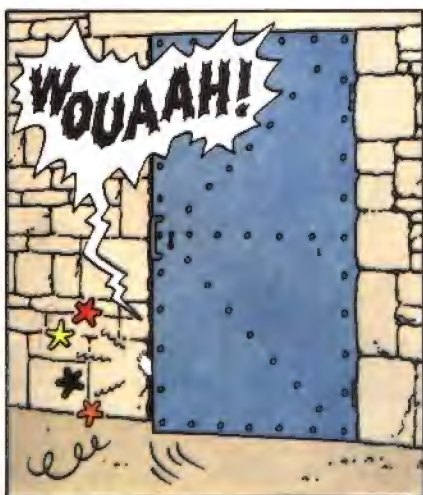

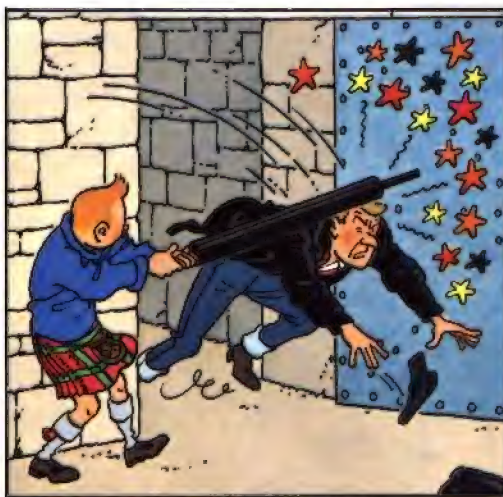

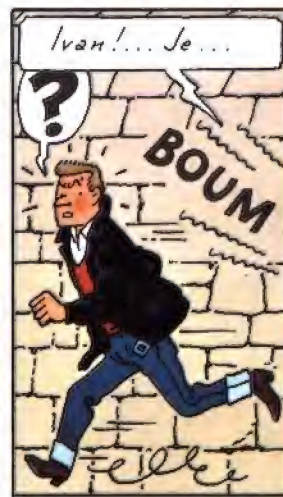

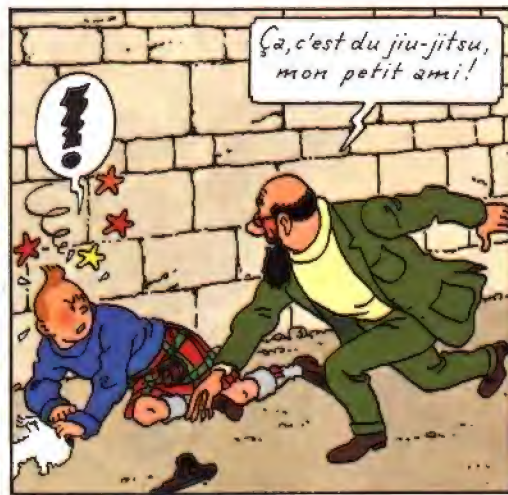

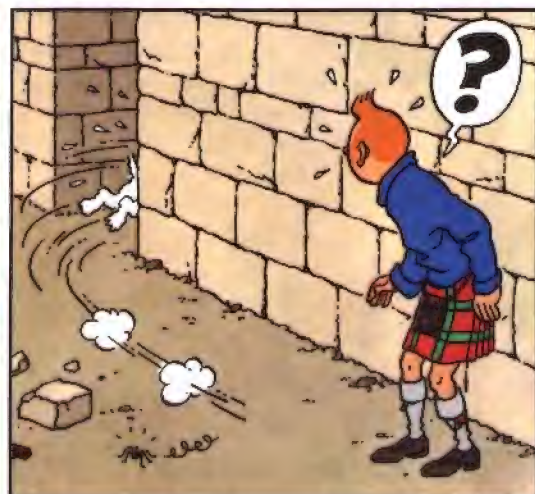

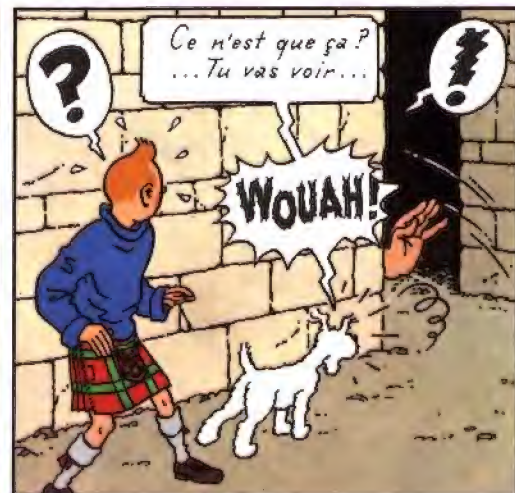

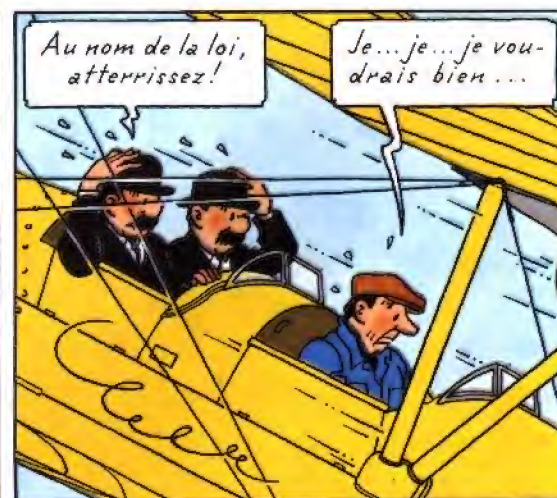

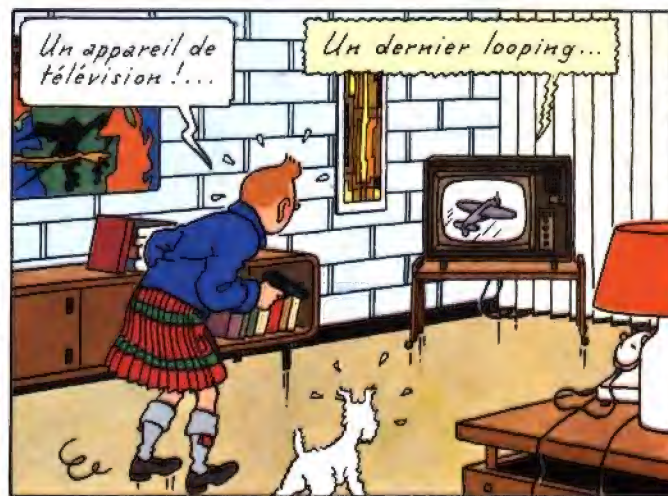

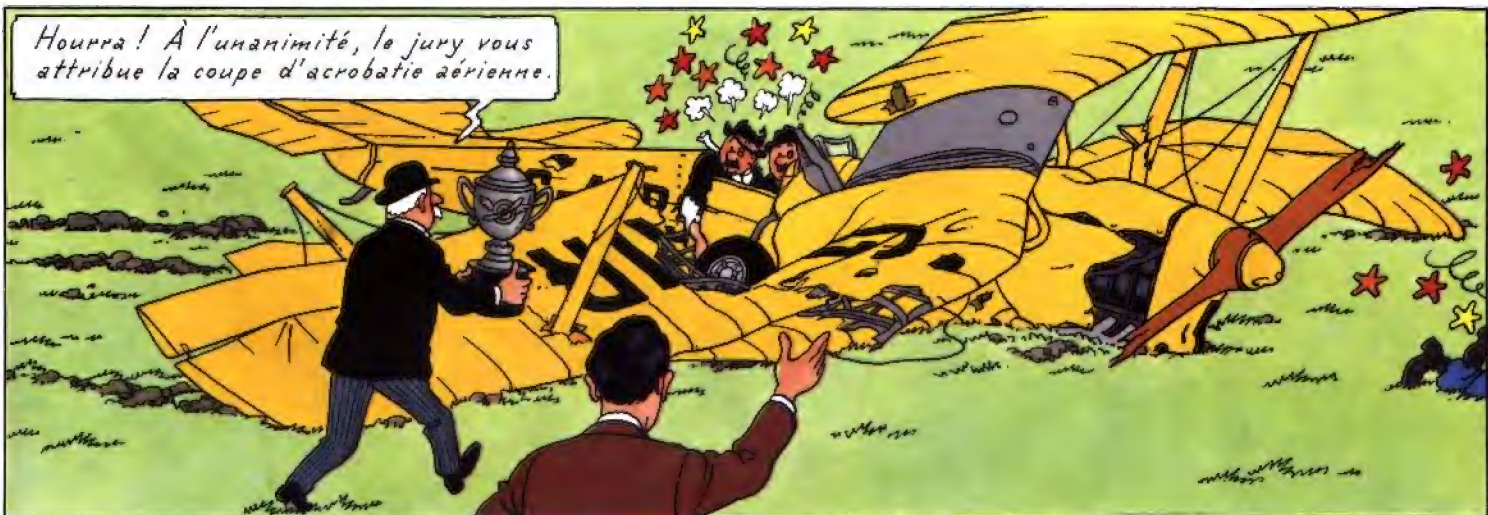

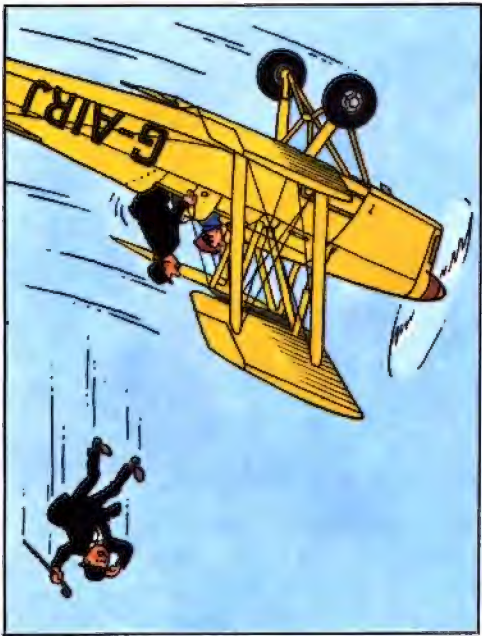

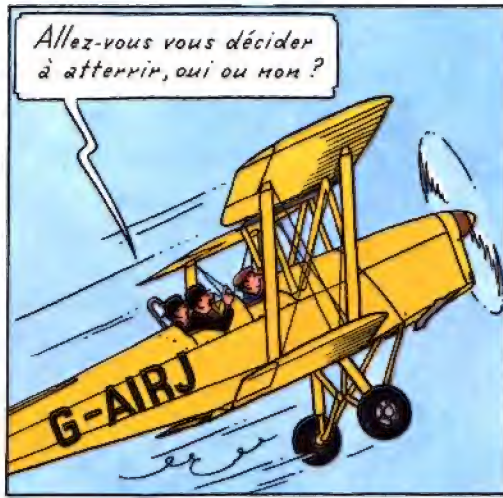

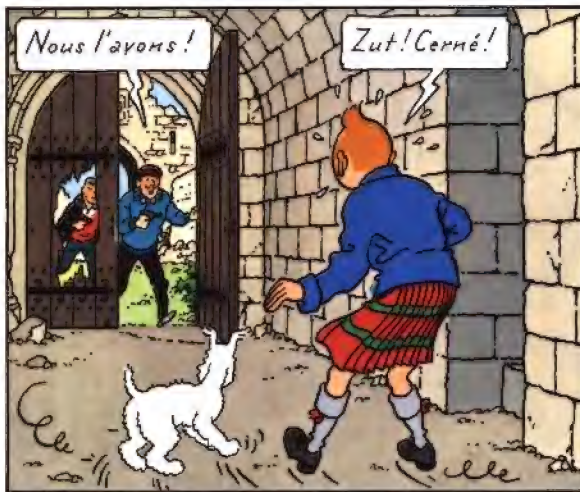

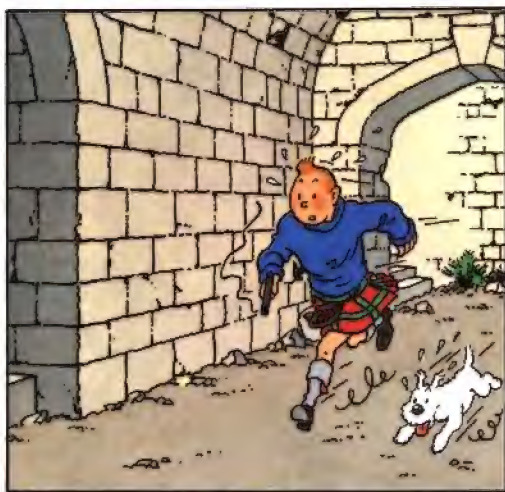

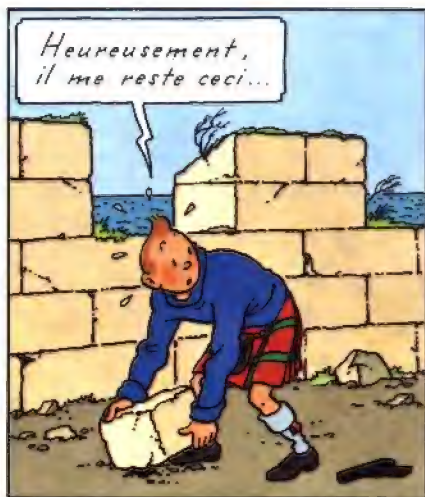

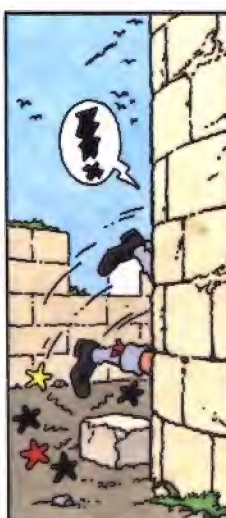

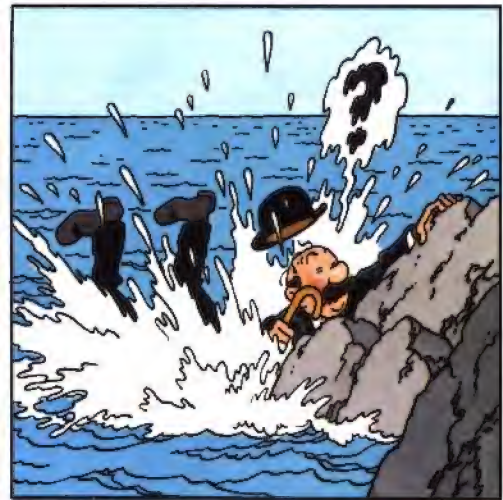

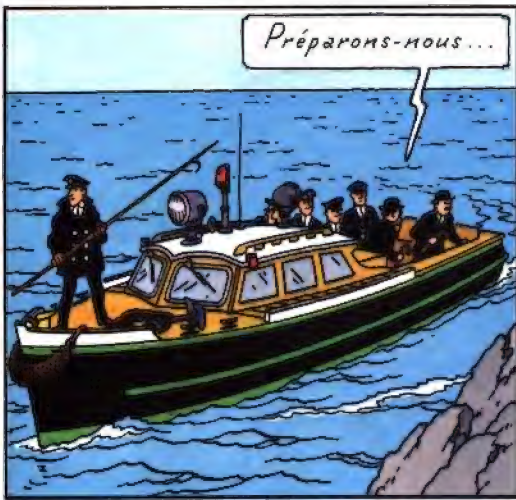

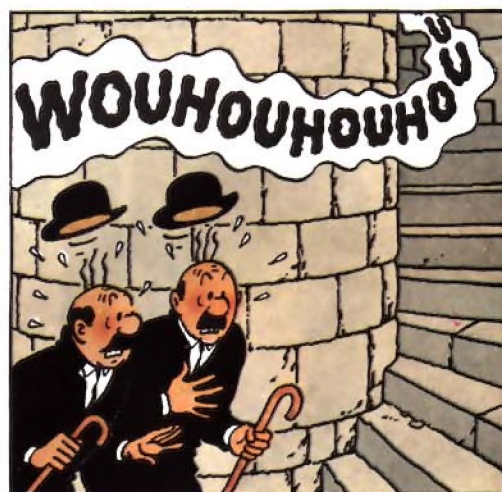

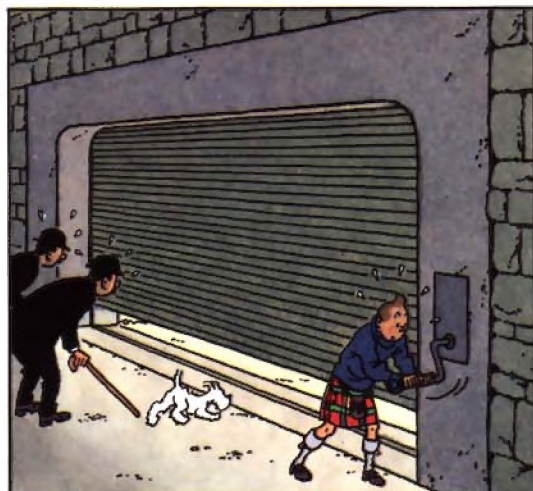

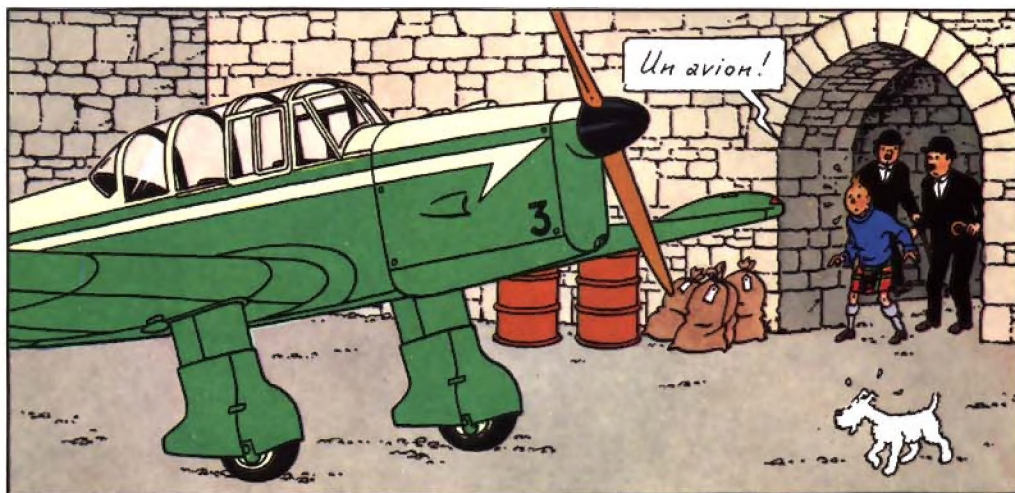

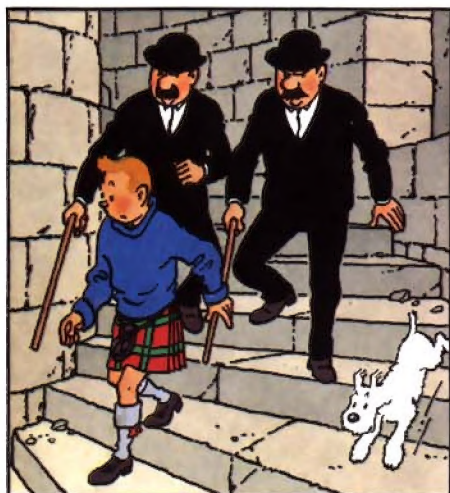

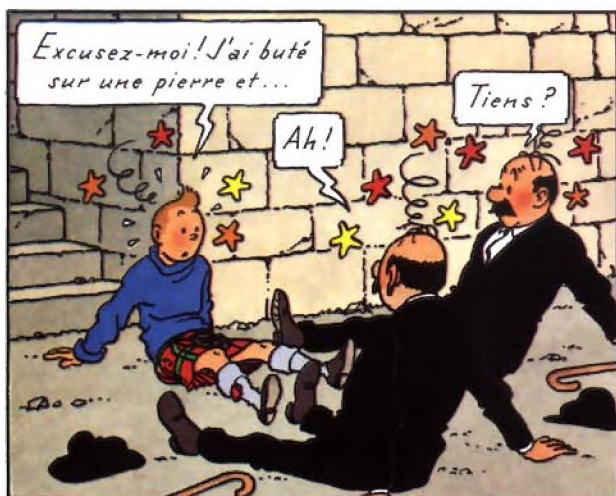

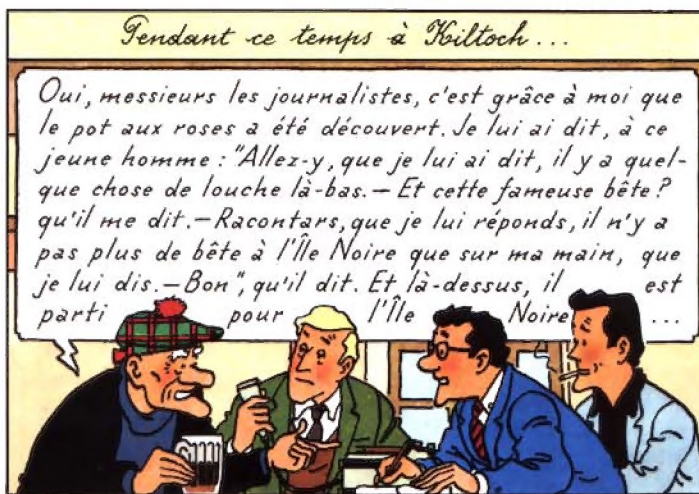

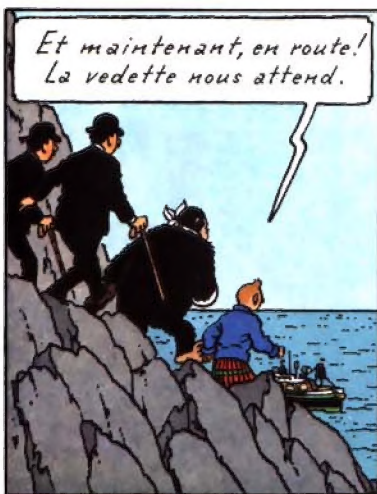

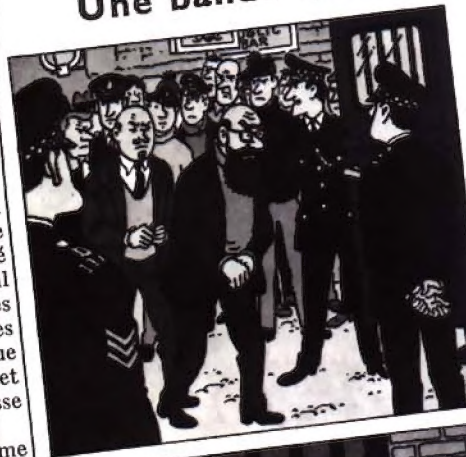

LE MYSTÈRE DE L'ÎLE NOIRE

Une bande internationale de faux-monnayeurs sous les verrous

Voir nos articles en pages 1, 2, 3, 4 et 5.

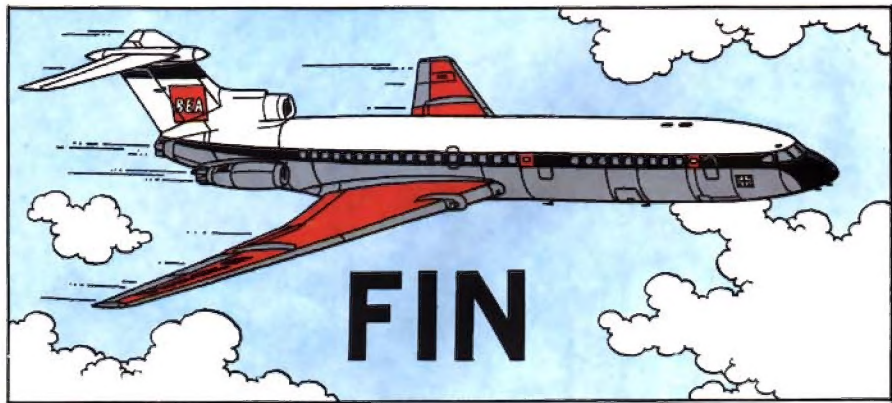

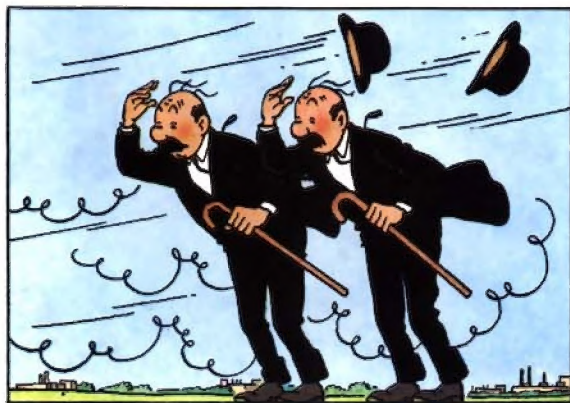

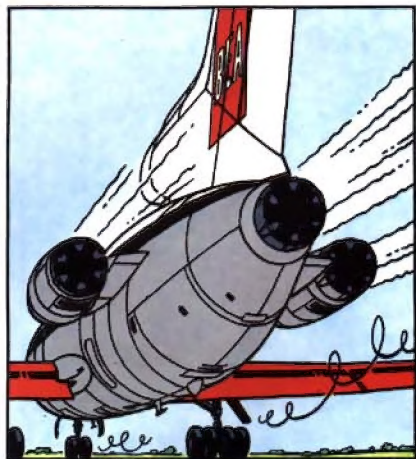

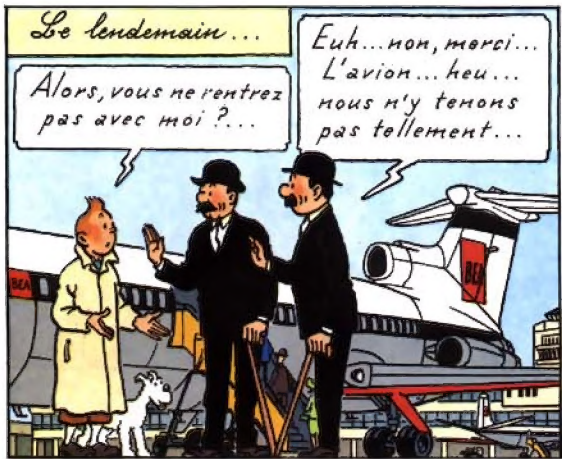

Sous bonne garde, les cinq malfaiteurs vont prendre place dans la voiture cellulaire qui va les emmener à Édimbourg, où ils seront jugés.

Voici quelques spécimens des billets de banque découverts à l'Île Noire. Les faussaires les envoyaient, par avion, à leurs complices étrangers qui se chargeaient de les écouler dans leur pays respectif. Chose curieuse, les faux billets étaient tellement bien imités qu'il était absolument impossible de les distinguer des vrais.

Le célèbre reporter Tintin, dont l'audace et la ténacité ont permis à la police de mettre la main sur une bande internationale de faux-monnayeurs, a ramené de l'Île Noire le gorille dont se servaient les bandits pour terroriser les pêcheurs de la région. On voit ici Tintin faisant ses adieux à l'animal dont il a fait don au zoo de Londres.

Voici le célèbre reporter entouré de quelques-uns des courageux policiers qui l'aidèrent à capturer les bandits. De gauche à droite : E. McGregor, T. W. Stewart, Tintin, B. Robertson, H. Macleod.
